

This map depicts some of the site specific projects that have been underway throughout the Beaverton School District during the 2014 Bond Program.

In addition, every building in the district has benefitted from Bond-funded information technology with the District-Wide Unified Communication System and infrastructure upgrades. A \$54,000,000 investment in Learning Technology provided Chromebooks and iPads for students in all schools. These devices facilitated the quick adoption of Comprehensive Distance Learning in 2019-20 and 2020-21. District-Wide Security Upgrades including cameras, perimeter hardening, and new push/turn hardware for classrooms has also been funded through the 2014 Bond.
